Kamath, General Secretary   Consumer Guidance Society of India<br><br>Leading clinician and expert from the consumer guidance sector on impact of substandard products (sanitizers) on public health and ways to increase awareness among consumers regarding the quality of hand sanitizers in the market.   |

# Ensuring Quality Hand Sanitizer Production During COVID-19

For Manufacturers in India

12:00 – 13:00 hours

## Lunch Break

13:00 – 13:45 hours

## Formulating Quality Alcohol-based Hand Sanitizer

Speakers: Danita Broyles, M.S., Senior Market Development Manager and Catherine Sheehan, DRSc, M.S., M.S., Senior Director | USP

Experts from USP discuss standards, current Good Manufacturing Practices (cGMP), mitigation strategies and ingredient verification services for the production (including ingredients such as alcohol), labeling, packaging, storage, transportation, and distribution of alcohol-based hand sanitizer.

13:45 – 14:15 hours

## Labeling, Packaging, Storage, & Distribution: Ensuring Quality During Alcohol-based Hand Sanitizer's Journey

Speakers: Desmond Hunt, Ph.D., Principal Scientific Liaison and Misti Spann, Pharm.D., Scientific Liaison | USP

Experts from USP provide standards and mitigation strategies for the labeling, packaging, storage, transportation, and distribution of alcohol-based hand sanitizers.

14:15 – 14:30 hours

## Break

14:30 – 15:00 hours

## Current State of Alcohol-based Hand Sanitizer: A Regional Perspective

Speaker: Sh. A.K. Nasa, Deputy Drugs Controller, Drugs Control Department | Government of NCT

An overview of the current state of country-level and regional challenges associated with the manufacturing and use of alcohol-based hand sanitizers and the global impact of alcohol-based hand sanitizers import/exports.

15:00 – 16:00 hours

## Panel Discussion (LIVE)

A moderated discussion on the global dilemma of bringing new alcohol-based hand sanitizers to market while ensuring public understanding of proper, safe alcohol-based hand sanitizer use.

**Facilitator:** Raashi Gaur, Senior Executive | USP

### Panelists:

- Sh. A.K. Nasa, Deputy Drugs Controller, Drugs Control Department | Government of NCT
- Dr. H.G. Koshia, Commissioner, Licensing Authority Drug and Food Safety, Food and Drugs Control Administration, Department of Health and Family Welfare | Government of Gujarat
- Dr. M.S. Kamath, General Secretary | Consumer Guidance Society of India
- Amjad Abdul Anwari, Director, Small Molecules and Excipients | USP
- Nurisha Wade, Vice President, Healthcare Quality & Safety | USP

16:00 hours

## Adjourn
